My dear Mrs. Manley,

Just a few lines to inform you that I am still publicizing the home games of the Newark Eagles on my own sport programs here at WWRL. I mentioned tonight's tilt last night and will plug Sunday's tilt tonight at 10.15 P.M. (June 21st). I enjoyed the 11 run inning last Tuesday night and commented on it last Thursday night. The boys seemed to enjoy pummeling the Grays twirlers. Can't blame 'em for that.

I trust that I will receive in a few days the final two weeks pay for radio publicity for the weeks of June 2nd & 9th. Always at your service.

Sportingly,

Jocko Maxwell
